Expectations of Library Behavior

We want all of our Library Lab participants to enjoy coming to library programs. In order to ensure a pleasant and safe experience for all, we have established the following expectations:

1. Show mutual respect for everyone. Use appropriate language and behavior. Disruptive, harassing or threatening behavior is not allowed.
2. Treat all library property with care, both indoors and outdoors.
3. Per library policy and for your child's safety, proper supervision for children under 8 is expected before and after all library programs. Parents are welcome to attend with their child if needed.
4. Children waiting to be picked up after a program may wait inside the library. For their safety, they will not be allowed to wait outside of the building.

**** If a child is not following these rules, they may be asked to leave the meeting room and wait in the library until the program is over.**

The library plans for all events. Please notify us if you are unable to attend the program you signed up for. Call or leave a message (641) 484-3362 or email library@toledoia.gov

This registration covers the entire school year (September through May). If your child decides they do not want to continue coming at any time during the year, please let us know.

If South Tama Schools cancel due to winter weather, Library Lab will also be cancelled for the day. If you have any questions, please call the library.

**** I give my permission for my child to be photographed in the library with the possibility of being used in publications, on social media and on the library website to promote library services. YES _____ NO _____**

Parent Signature _____ Date _____
